Environmental Policy Statement

Edinmore Contracts Ltd is a buildings insurance repair and maintenance contractor providing an all trades building reinstatement service to the Insurance and Loss Adjusting industry. We recognise that we have a responsibility to the prevention of pollution and are committed to continual improvement in environmental performance through setting the following objectives:

- Meeting and exceeding environmental legislation and other requirements relating to our operations;
- Implementing and maintaining an Environmental Management System meeting the requirements of ISO14001:2004;
- Minimising our waste production, energy and water consumption in all areas of the business.
- Raising awareness through the provision of training to our employees and those working on our behalf.

This policy will be reviewed annually and all employees, subcontractors and persons working on our behalf will be made aware of our commitments by making this policy available to them. The environmental policy will be made available to other external interested parties on request. It can also be found on our website www.edinmoreltd.co.uk.
